Dear Community School Families,

Happy New Year!

With the new academic year, my staff and I had an opportunity to interact with both returning and new participants. Our participants were busy learning French culture, polishing up on their Chinese language, others had a chance to experience walking on stilts (tall sticks), and they also made many wonderful artworks.

This winter, we will continue to offer multi-cultural classes including Chinese and French culture and languages along with fun and fabulous hands-on activities.

We would like to take this opportunity to thank our parents, Neighborhood Council members, and residents for their continued support. We invite you to join our Neighborhood Council.

Additionally, we extend our warm welcome to all new and returning families to the afterschool enrichment program. I hope our Winter offerings will excite your child's interest. Please share your ideas with us, so that we can continue to offer quality and affordable community programs.

Finally, my staff and I are looking forward to a successful Winter program as we begin new calendar year.

M.L King Jr. Neighborhood Council

Our goal is to provide innovative programming that responds to the needs of this community and we are always searching out new ideas. The Neighborhood Council, which is always open to all King School parents and local residents, helps to determine our mission.

The Council meets bi-monthly and provides a forum to address program quality and content, as well as safety and neighborhood issues.

We also sponsor community events and activities, such as early release day activities for school children, community gatherings, neighborhood park improvements, winter and spring vacation programs and summer camp.

Council Meetings:

The neighborhood council meetings will take place at 6 pm on the following dates:

• Wednesday, March 18, 2015
